TOP TEN HIGH TRAILS RULES

Other rules will be discussed upon arrival at High Trails.

1. You will be assigned a buddy and must know where your buddy is at all times. You must be with an adult at all times. Do not wander off!
2. Respect other people's property. If it is not yours, do not touch it. Keep track of your own property, and know where it is at all times.
3. Keep your hands to yourself. Fighting, pretend fighting, or putting your hands in someone else's personal space for any reason is not permitted. You have broken the rule, even if you didn't start it.
4. Teasing, put downs, gossip, or hurting another person's feeling is not permitted. You have broken the rule, even if you didn't start it.
5. Any threatens of harm to self or others will be taken seriously. If these threats are made, you may not stay at High Trails unless assessed by a mental health professional. Therefore, do not make self-harm or comments about harming others as jokes!
6. Language must stay appropriate for an elementary school setting. Cursing or adult language, topics, or hand gestures are not permitted.
7. Keep your conversations with your group. Interactions with other schools or other groups on site is not permitted. With this, you may not go into a cabin other than your own without an Instructor's permission.
8. Show respect for nature by not littering, not picking flowers or plants, and do not harm wildlife.
9. Do not pick up rocks or sticks without permission from your Instructor. Never throw them.
10. Do not run unless allowed to by an Instructor.
